

Susie's Tale Hand with Paw We Changed the Law, 2012, 64 pages, Donna Lawrence, 0984672419, 9780984672417, Paws and Claws Publishing, LLC, 2012

Author Donna Lawrence has written an inspiring, motivational picture book about courage, devotion, and forgiveness. The book, *Susie's Tale*, is a heartwarming and heartwrenching account of Donna's relationship with an abandoned and abused puppy. Ultimately their victory—with the help of other supporters—was the unanimous passage of legislation to provide judges with the option of giving stiffer punishments to those who have abused animals to help prevent animal cruelty. Susie, the puppy that was found in a Greensboro park, recounts this tale. At the tender age of ten weeks, Susie had been beaten, burned, and left all alone to die. However, Susie's will to live had given her the strength to survive her ten-day ordeal in the park. One year earlier, Donna had been attacked brutally by a pit bull, and she had also managed to survive. Donna met Susie, got to know her, and helped care for her. After a long search for a permanent home for Susie, Donna and her husband Roy adopted her. Over time, Susie helped Donna learn to trust and respect dogs again. And Donna and Roy reassured Susie so that she could do the same. Their healing journey led them to the North Carolina capital on a quest that ended with the passage and signing of Susie's Law. *Susie's Tale* is an inspiration to people of all ages. Its message is one of love, hope, and forgiveness. It's also about getting a second chance at life and running full speed ahead with it. This true story reminds us that one person—or even one animal—can make a positive change in our world. This picture book has been written for children in first through third grades. The realistic artwork has been beautifully created by Jennifer Tipton Cappoen, who also designed the book and covers.

Tales of Soldiers and Civilians , Ambrose Bierce, 2004, Fiction, 222 pages. This revised edition of Bierce's 1892 collection of Soldiers and Civilians tales aims to fill a void in American literature. A veteran of the Civil War and a journalist known as Mark Twain's "The Great Impersonator," Bierce was a prolific writer of short stories, novels, and plays. His work is characterized by its dark, satirical, and often macabre tone. This revised edition of his 1892 collection of tales, Tales of Soldiers and Civilians, is a testament to his enduring legacy as a master storyteller. The book is a collection of 37 tales, many of which are set during the American Civil War. The tales are written in a style that is both accessible and engaging, and they provide a unique perspective on the war and the lives of those who fought it. The book is a must-read for anyone interested in American literature, history, or the art of storytelling.
